

Growing Forward

Food Safety System Implementation (Producer) Implementation Element

Why participate in the Food Safety System Implementation Program?

- To help make Canadian products among the safest and highest quality in the world
- To strengthen the sector's ability to identify and respond to food safety issues
- To achieve validation of a government approved on-farm food safety program (OFFS) through financial incentives.

Who is eligible to participate?

- BC food producers directly involved in growing livestock and/or producing agricultural crops intended for human consumption.
- Your facility is on property classified for farm use and you have a current GST number.
- You have completed a gap analysis of one of the currently approved OFFS or HACCP program for your commodity.

How do I apply for FSSI Implementation?

- Review complete program requirements and eligibility on the ARDCorp website.
- Complete the application along with a gap analysis, detailed work plan and expense budget.
- Submit these documents to ARDCorp along with your 2009 property assessment notice.
